

Toughest M Competition

5000 lb. 12 mph

5500 lb. 8 mph

6000 6 mph

6500 lb. 4 mph

1. Class will consist of 4 hooks. \$100.00 entry fee gets you all four hooks.
2. Any M through 450 tractor including W series. Engine must be M through 450 style. 5 main engines are ok.
3. NO TURBOS
4. 2500 rpm limit
5. 20" hitch height 18" from center of axle
6. Max tire 18.4 38 any cut. Radials are ok.
7. Must have kill switch and wheelie bars.
8. Weight may not extend more than 11 foot from center of rear axle. Or stick out past rear edge of rear tires.
9. Competitor will throw out there worst hook and the winner will be decided by combined distance of the other 3 hooks.
10. This should help with the tractors who can't do 12 mph and the 12 mph tractors who will have trouble with 4 mph.
11. Rolling the dice is required to select line up positions in each class.
12. This class will be 100% payback to the top 3 places. Which means the more tractors we get the more money you will get back.
13. This class is meant to determine the best tractor and driver combination.
14. The track judges will have the final decision on all rules and regulations of the pull.
15. Anytime any part of tractor or skid goes outside boundaries it will be disqualified.
16. As of the 2024 pulling season. The hitch point or clevis needs to be 3 inches wide by 3 ¾ inch from front to back
17. There is a test and tune on Friday night.
